A PARTIR DE

# 1920

We are in the wood and furniture sector since 1920. First with a veneer wood warehouse, in next generation building furnitures, and the recent history producing mouldings for flooring.

Nous sommes dans le négoce du bois et des meubles depuis 1920. En premier lieu avec un dépôt de placage bois, et la generation suivante dans le monde du meuble et actuellement nous produisons des accessoires pour tous types de parquets.

Estamos en el negocio del mueble y la madera desde 1920. Primero con un almacén de chapa de madera, en la siguiente generación fabricando muebles, y en la actualidad produciendo molduras para cualquier tipo de suelo.

Estamos no negócio da madeira e da fabricação de móveis desde 1920. Começamos com folhado de madeira num armazém, e na geração seguinte na fabricação de móveis. Na actualidade produzimos acessórios para todo tipo de pavimentos.

## Features

- Oak veneer.
- Support MDF.
- Different finishes.
- Self-adhesive.
- Combinable models.
- Multiple applications for DIY.

## Caractéristiques

- Placage de chêne.
- MDF Support
- Différentes finitions.
- Auto-adhésif.
- Modèles combinables.
- Applications multiples pour le bricolage.

## Características

- Chapa de madeira de roble.
- Soporte MDF.
- Diferentes acabados.
- Auto-adhesivo.
- Modelos combinables.
- Múltiples aplicaciones para bricolaje.

## Características

- Carvalho.
- MDF suporte.
- Diferentes acabamentos.
- Auto-adesivo.
- Modelos combináveis.
- Várias aplicações para DIY.

## Features

- Emboss Decorative Polypropilene Film with unique visual and haptic design.
- Antihumidity Polyurethane Reactive glue.
- Medium Density Fibres Support.
- Scratch and abrasion-resistant.
- Stain-resistant.
- Easy to clean,
- Resistant to chemical influences.
- Unique combination of embossing and print.
- Natural wood or distinctive pattern embossing.
- Water and steam-resistant.
- Exceptional print quality.

## Caractéristiques

- Effet décoratif en Polypropilene avec un effet visuel unique et tacte incomparable.
- Colle Polyurethane Reactive Antihumidité.
- MDF support.
- Résistant aux rayures et à l'abrasion.
- Résistant aux taches.
- Facile de nettoyer.
- Résistant aux influences chimiques.
- Combinaison unique de relief et d'impression.
- Bois naturel on modele relief.
- Résistant à l'eau et le vapeur.
- Impression exceptionnelle.

## Características

- Decorativo de polipropileno con un diseño visual y relieve único.
- Cola Polyuretano Reactivo antihumedad
- Soporte MDF.
- Resistencia a la abrasión y al rayado.
- Resistente a las manchas
- Fácil de limpiar.
- Resistencia a influencias químicas.
- Combinación única de relieve e impresión
- Distintos patrones de relieve segun madera.
- Resistente al agua y al vapor.
- Calidad de impresión excepcional.

## Características

- Efeito decorativo en Polipropileno com design visual e tátil única.
- Cola de poliuretano reactivo anti-humidad.
- Suporte MDF.
- Resistente aos riscos e à abrasão.
- Resistente as manchas.
- Fácil de limpar.
- Resistente a agentes químicos
- Combinação única de relevo e impressão.
- Madeira natural ou modelo em relevo.
- Resistente a água e ao vapor.
- Excepcional qualidade de impressão
